VET Data Use and Privacy Statement

As a Registered Training Organisation (RTO), Blended Learning International is required to collect and submit training activity data to the National Centre for Vocational Education Research (NCVER) under the Data Provision Requirements 2012 and the National VET Data Policy.

This data may be used to:

- Issue VET qualifications or statements of attainment
- Populate your authenticated USI VET transcript
- Conduct surveys and research into education and training
- Support program administration, regulation, monitoring, and reporting

Your information is protected under the Privacy Act 1988 and will only be used in accordance with the Australian Privacy Principles and the National VET Data Policy.
