

# TRAFFIC CONTROLLER Training Program

## Purpose

This training program provides participants the skills and knowledge required to effectively control traffic in the construction industry and similar workplaces. This program is suitable for participants who work or would like to begin a career as a Traffic Controller. The program delivers the necessary competencies to warn, guide, and direct all traffic using affected roads.

## Content

This training program comprises of three nationally accredited units of competency, which are:

- RIICOM201D Communicate in the workplace
- RIIWHS201D Work safely and follow WHS policies and procedures
- RIIWHS205D Control traffic with stop-slow bat

## Outcomes

Upon completion of the Event Traffic Controller Training Program, participants will obtain:

- Australians Qualifications Framework Statement of Attainment with the units below:
  - RIICOM201D Communicate in the workplace
  - RIIWHS201D Work safely and follow WHS policies and procedures
  - RIIWHS205D Control traffic with stop-slow bat
- Successful participants will also be issued with a Transport Canberra and City Services (TCCS), ACT Government Traffic Controller License.

# Blended Learning International

## Cost and Conditions

The complete program costs \$450. Each program is capped at 20 participants, to allow discussion and any individual attention needed for learning.

Each participant is required to obtain a Unique Student Identifier (USI) at <http://www.usi.gov.au>. Participants will be required to complete approximately 6-8 hours of self paced learning and assessment prior to the one-day workshop. At the completion of the workshop, participants must organise a mentor observation at the workplace within three months of completing the face-to-face workshop in order to complete all aspects of the training program.

## Location and Time

The location of the program will be confirmed upon enrolment.

This program will run for as a one-day workshop with morning tea, lunch and afternoon tea supplied.

## Enrolments

To enrol, please contact [info@blendedlearning.edu.au](mailto:info@blendedlearning.edu.au) to reserve your spot for the next available program.
