- **Administration fee \$200** – applies where course cancellation by the student occurs after course commencement.

Payments of Fees

Refunds

A student who wishes to cancel their enrolment must give notice in writing. A refund of fees may be given in the following exceptional circumstances:

- You have overpaid the invoiced amount.
- You enrolled in a course that has been cancelled by Blended Learning International. Blended Learning International will refund in full all fees for the course paid by the student.
- You formally advise Blended Learning of cancellation **10 business days** or more prior to the commencement of a program. You will be entitled to a full refund of fees paid less the Cancellation fee of \$200 to cover administration costs.
- You give notice to cancel your enrolment 9 business days or less prior to the commencement of your program. In this case, you will be entitled to a 75% refund of fees paid. The amount retained (25%) by Blended Learning is required to cover the costs of staff and resources.
- You have withdrawn from the course after the commencement date of your course, as detailed in this letter of offer. You **will not** be entitled to a refund of any fees paid in advance by you.

A refund is **not** given for the following circumstances:

- You have changed your job during the course.
- You are not able to complete the course due to changes in your working hours.
- You are not able to complete the course due to any non-specific personal issue.
- You are not able to complete the course due to moving home or moving interstate.

Discretion may be exercised by the Blended Learning International General Manager/Director in all situations, if the student can demonstrate that extenuating or significant personal circumstances (e.g., a death in the family, a serious illness, circumstances that by their serious, unpredictable, or uncontrollable nature) led to their withdrawal. To apply for a refund in these circumstances, this must be in writing, with evidence provided, to the Blended Learning International General Manager. In these cases, the student should be offered a full credit toward the tuition fee in another scheduled program in-lieu of a refund. The General Manager/Director may also authorise a refund of tuition fees if the circumstances require it.

Student Records

Students are issued with a transcript of their results when they either complete or withdraw from their course, provided they have been deemed fully competent in some, or all, units of the course upon completion or withdrawal. Students may, for a fee, obtain additional copies of their official transcript.

The transcript of a student who has fees or charges outstanding from a session will have WD (withheld, fees due) recorded against the units of the course. The results for these units will be released when the fees and charges are paid.

All student records are stored within the Blended Learning International Administration Office for a period of not less than twelve months. After this time these records are archived.
